## String test

Cut a small piece of string, thread or ribbon from a spool.

MEASURE: Wrap it snugly around your finger for an accurate measurement.

DETERMINE: Compare your measurement with our sizing chart.

Tip: Be careful not to wrap the string too tight. Aim for a comfortable fit, not too tight.

## Paper test

Print and carefully cut out our paper ring sizer below.

Create a slit by making a small cut on the line labeled "Your Size".

Slip the pointed end through the slit creating a circle.

MEASURE: Place around your finger and pull the pointed end to create a good fit.

DETERMINE: The number at the correct line is your size.

Tip: Be careful not to wrap the paper too tight. Aim for a comfortable fit, not too tight.

## Secret test

Print our chart of ring size circles.

Find a ring that your loved one currently wears.

Make sure he or she wears that ring on the finger you are shopping for.

MEASURE: Place the ring on top of each circle until you find a perfect match.

Tip: Aim for a comfortable fit, not too tight.
